86th GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES
TRANSCRIPTION DEBATE

35th Legislative Day

Speaker McPike: "The House will come to order. The Chaplain for this evening is Reverend Roy Wilson from Seneca Assembly of God Church in Seneca. Reverend Wilson is a guest of Representative Weller. The guests in the balcony may wish to rise and join us in the invocation."

Reverend Roy Wilson: "It's not a new thing for our church to pray for our State Government, including our Governor and the General Assembly, but it's a first to be here in person. I'm also a Representative, but our corporate body is a tad farther away. In fact, Jesus Christ sits at the righthand of the throne of the Father there. We've all been invited to meet there on an appointed day, of which we know not, which we call the Rapture. Our Heavenly Father, you've instructed us to pray for those who have the rule over us. This we do and particularly this day. I ask your blessings on these men and women upon this Assembly. It can become a tiring job. Give them refreshing of mind and understanding. The Book of James said, if any of you lack wisdom, let him ask of God who giveth to all men liberlly and upbringeth not, and it shall be given him. May good health and strength be your portion. Father, we know that they debate and struggle of what we the people want and what we can afford. Money that staggers the working man with all its numerous digits becomes lost to the imaginations of our desires. You said that a man would earn his living by the sweat of his face. The evening Sessions will probably confirm some of this. These folks are away from their wives and children. Some have left home with sickness in the family. You're the Lord with healing in your wings. Please minister to their needs. Let a good report come forth to cheer the hearts of this sitting. King Solomon said in Proverbs 29 and 2, 'When the

righteous are in authority the people rejoice, but when the wicked bare through, the people mourn.' By the interrention of thy hand, God, allow our people to continue to rejoice. We pray this in the Honor of the authority of God the Father, God the Son and God the Holy Ghost. Amen."

Speaker McPike: "Be led in the Pledge of Allegiance by Grace Mary Stern."

Stern - et al: "I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

Speaker McPike: "Roll Call for Attendance. Representative Hannig... Representative Hannig would you change Representative Young from 'yes' to 'present?' Representative Morrow and Jones. Representative...Representative Weller's light is on. Representative Tate, did you want to speak from Representative Weller's desk? I'd like to get the excused absences if you got a...if you can hold it for a second. Representative Piel."

Piel: "All present, Mr. Speaker."

Speaker McPike: "Representative Matijeovich."

Matijeovich: "Yes, let the record show Lovana Jones is again an excused absence."

Speaker McPike: "Representative Lou Jones is excused absence. Thank you. Take the record, Mr. Clerk. Take the record, Mr. Clerk. 112 Members answers a Roll Call, a quorum is present. Representative Tate."

Tate: "Thank you, Mr. Speaker. On a point of personal privilege if Representative Cullerton is in the chamber today..."

Speaker McPike: "He's not, he's not here."

Tate: "There's an article in the Sun Times about David Letterman's late night show last night, on the 10 most

favorite excuses the Chicago Cubs use for never being in the World Series. And I like to share with Representative Cullerton these 10 excuses. The first excuse is..."

Speaker McPike: "Representative Tate, do you want to wait till he comes back. He's, He's out of town."

Tate: "Well for the benefit of the rest of his friends..."

Speaker McPike: "...Go ahead. Proceed. Go ahead. Proceed. Proceed."

Tate: "The first excuse is, that you can actually see the World Series better watching T.V. if you're a Cub fan. The second is, they mistakenly thought that low scores win like in golf. The third is, you're secure enough in your manhood to play gently. The fourth is, they traded all their high draft picks for candy and pocket flash lights. Fifth is, too many guys from the 1908 Championship are still on the team. The fifth is, since...since we got the police scanner in the dugout, real life crises it's hard to concentrate on meaningless sports. And the last three are, conferences on the mound quickly degenerate in reminiscing about that great team back in 1908. There's two left and the next to last, hey have you ever tried hitting a Major League curve ball. And last but not least, it's victory enough simply living in Chicago, home of the best damn audiences in the world..."

Speaker McPike: "That's a best speech you've ever given Representative Tate. Representative Piel."

Piel: "Thank you, Mr. Speaker. A question of the Chair, Mr. Speaker. Last night I had to go to bed early and I didn't get the Cubs and the Cardinal score, by any chance did you get the final score in those two games."

Tate: "No, I didn't."

Piel: "Oh, okay."

Speaker McPike: "Representative Ryder."

Ryder: "Mr. Speaker, since we appear to be on the order of newspaper readings. I had a chance today in one of the committees to observe that today is National Tax Freedom Day. According to a calculation made that as of about this hour, we finally, those who earn honest livings, stop working for the government and start working for themselves. And I would hope that we could celebrate that in the appropriate fashion this year. Thank you, Sir."

Speaker McPike: "We have a request to go on Page 38 of the Calendar, House Bill 985. Representative Daley has asked leave of the Body to take the Bill off the Consent Calendar and hear at this time. Is leave granted? Hearing no objections, leave is granted. Mr. Clerk, read the Bill".

Clerk O'Brien: "House Bill 985, a Bill for an Act to add Section 10-8 to the Criminal Code of 1961. Third Reading of the Bill."

Speaker McPike: "Representative Daley"

Daley: "Thank you, Mr. Speaker and Members of the House. House Bill 985 would amend the Criminal Code, and it would create a new offense for a unlawful sale of a public travel ticket to a minor. I would be happy to answer any questions."

Speaker McPike: "The Gentleman moves for the passage of House Bill 985 and on that Representative Matijeich."

Matijeich: "Would the Gentleman yield for a question?"

Speaker McPike: "Yes he will."

Matijeich: "Who's going to handle this Bill in the Senate?"

Daley: "Hopefully Senator Daley."

Matijeich: "Senator Daley...I don't know, I think this has been done once before that a person has passed the Bill in one chamber, and then has passed his same Bill in the other chamber. I'm going to vote this because I want to see this happen again by a good descent honorable public official. I'm all for him."

Speaker McPike: "Representative Daniels"

Daniels: "Will the Sponsor yield?"

Speaker McPike: "He indicates he will."

Daniels: "Representative Daley"

Daley: "Yes."

Daniels: "Where are you? Well, there you are over there. How are you doing?"

Daley: "Fine, Lee."

Daniels: "We want to discuss your Bill a little bit, because the Republicans over on this side of the aisle understand that you're trying to rush this Bill through. Is that correct?"

Daley: "That is correct."

Daniels: "Just what we thought. Now if I understand correctly, this Bill prohibits the sale of a ticket for travel to an unemancipated minor under 17 years of age. Is that right?"

Daley: "Correct."

Daniels: "Now let me give this hypothetical. Taking urban flight, if a young person wants to open his sphere of influence and take a bus to DuPage County. You're trying to stop that?"

Daley: "Not to DuPage."

Daniels: "That's alright with you. But what if that same person wanted to take a bus ride to McHenry County?"

Daley: "Only outside of Illinois."

Daniels: "Only outside of Illinois?"

Daley: "Correct."

Daniels: "You have something against Iowa?"

Daley: "I love, I love Iowa."

Daniels: "Iowa, did you hear that? Republicans? This man has something against the University of Iowa."

Daley: "I love..."

Daniels: "The Hawkeyes."

Daley: "I love it."

Daniels: "You love it?"

Daley: "Yes."

Daniels: "What about Wisconsin?"

Daley: "The Badger state, it's a great state to visit."

Daniels: "Well some of the facts we look at: public conveyance now, an airplane, a boat, a bus, a railroad, a train. Now isn't that what your city needs? The RTA. Aren't you trying to encourage travel outside of the city? And other areas of the state."

Daley: "We encourage travel throughout the state and Chicago all the time, Lee."

Daniels: "Well Mr. Speaker, the Members on this side of the aisle are very concerned, because it's obvious that he's trying to rush this Bill through. And we may have to look at this very, very carefully before we decide whether or not to support it."

Speaker McPike: "Representative DeLeo."

DeLeo: "Thank you, Mr. Speaker, Members of the House. I have a personal interest in this Bill. Representative Daley was asked to put in legislation. Last summer there was a young girl by the name of Anna Marie DeLeo, who purchased... who was a 15 year old girl, who purchased a bus ticket at the Greyhound bus station in Chicago, Illinois. After being lost for approximately 12 or 14 days in the western states of the great U.S.A., the State's Attorney of Cook County, and the Illinois State Police were checking bus stations and distributing photographs of this young lady. When she purchased a bus ticket at the Greyhound bus station in Chicago, the ticket agent asked this young girl, with her guitar and knap sack in hand, if she was she old enough to travel in her state, never checking any I.D. The young lady said that she left her driver's license in the car and she was still able to purchase a bus ticket. The grievance

that this family went through, the heartache for 12 or 14 days came to a climactic ending, when this girl was found alive in Oregon. This is not a joke this Legislation. This Legislation is to protect children, minor children leaving these facilities, O'Hare airport, Trailway bus station, Greyhound bus stations. This piece of Legislation is very important where we can have some sort of index, and some sort of control on children leaving the State of Illinois. And I urge a 'yes' vote in this matter."

Speaker McPike: "Representative Daley to close."

Daley: "Mr. Speaker and Members of the House, I would just ask for a favorable vote. As Representative DeLeo indicated, this was a personal friend that it occurred to. And hopefully this will prevent some runaways in the future and some daughters or sons, from being prevented and being caught in prostitution. I would ask for a favorable vote."

Speaker McPike: "The Gentleman moves for the passage of House Bill 985. The question is, 'Shall House Bill 985 pass?' All in favor vote 'aye', opposed vote 'no'. Representative Daniels."

Daniels: "Well Mr. Speaker, Ladies and Gentlemen of the House. On behalf of the Republicans on this side of aisle, we have enjoyed Representative Daley as a Member of the House and wish him the well...wish him well in the future. Hope that his career is as long and distinguished as he chooses it to be, and as we know it will be. We send you off with good fond memories of your service here, John. And wish you the best and obviously wish your brother the best in his new duties as the Mayor of Chicago. And happy to join in the passage of this very important Bill."

Speaker McPike: "Representative Ryder."

Ryder: "Mr. Speaker, I would echo the kind words of the Minority Leader. However I was voting red for the reason that I'm

not sure that Representative soon to be Daley...Senator Daley can stand the pressure of the heavy work load within the Senate. And I realize that that will require him to accommodate a new life style and to be kind of laid back, but I would suggest that by sending him over we might be able to get some better results out of the Senate. And we hope indeed that he does and we wish him best wishes."

Speaker McPike: "Representative Regan."

Regan: "Thank you Mr. Speaker, Members of the House. To the Bill first. To the Bill is very important, 85 percent of runaways are at high, high risk. The others don't get on that bus and they get back home. To John, who I've worked with in Jud. II. Over these short periods of months a great guy a long order guy and I'm going to miss you, John and believe me, it's not just because I have to travel in Chicago all the time. It's I really appreciate serving with you. Thank you and good luck."

Speaker McPike: "Representative Hallock."

Hallock: "Thank you Mr. Speaker, Members of the House. It was truly my great pleasure to vote for John's first Bill a couple years ago and to vote for his last Bill here tonight. I think many Members of this chamber may not be aware that John Daley and I were best friends at Loyola University in Chicago twenty years ago. So I've known he and his family for a very long time, so it is the distinct pleasure for me to serve with an old friend and colleague from those days of my life and it's an opportunity few Members of this House chamber really receive. But I must say that we in this General Assembly, I'm sure will miss him. We in the House, especially, will see him from time to time, but of course, when he's in the Senate not working very hard you'll have time to do things we can't do because we're working all the time. But seriously John, to you and

your family I say good luck and Godspeed and we're proud of you. Good luck to you."

Speaker McPike: "Have all voted? Have all voted who wish? The Clerk will take the record. On this Bill, there are 110 'ayes', no 'nays', and none voting present. House Bill 985 having received the Constitutional Majority is hereby declared passed. Representative Daley."

Daley: "Thank you, Mr. Speaker and Members of the House. I would like to thank every single Member of this House. In the short time that I've been here, every one of you have made me grow to a better person, no matter what party you're from, no matter what section of the state you're from. I respect your district but I respect your friendship. In the various committees we've served on, I think we've worked well. To the Members on the Republican side, I respect your voice and I hope the Republican voice is heard truly. To the Leadership, I thank you for the assistance you've given me and the Bills that I've presented here on behalf of the State's Attorney...former State's Attorney of Cook County, with your help Lee, and the help of your Members, his Bills passed from this chamber. To the Members on the Democratic side, from downstate, from the suburbs, I thank you each and every one of you. To the Members of the Chicago delegation, both black and white, because we're only one delegation and that's how I view it and I thank each and every one of you. I hope as we have a new Mayor, that the Chicago delegation will work together for the improvement of the City of Chicago. And finally to my good friend Jim DeLeo. From the day I walked in this place, he took me by the hand and showed me the ropes. I will never forget his friendship and will just grow much stronger. And Jim, I hope in the future you might be joining me. Thank you."
